GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

The Schedules of Assets and Liabilities (the "Schedules") and the Statements of Financial Affairs (the "Statements") filed by Scottish Holdings, Inc. ("SHI") and Scottish Annuity and Life Insurance Company (Cayman) Ltd. ("SALIC"), as debtors and debtors in possession (the "Debtors"), have been prepared by the Debtors' management in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (as amended, the "Bankruptcy Code") and Federal Rule of Bankruptcy Procedure 1007, and are unaudited. While the Debtors' management has made every reasonable effort to ensure that the Schedules and Statements are accurate and complete, based upon information that was reasonably available to them at the time of preparation, the subsequent receipt of information may result in material changes to the financial data and other information contained therein. Moreover, the Schedules and Statements are based on the Debtors' books and records as of the Petition Date (defined below) and some items, after further review, may not fully reflect the reality of the transaction. Thus, the Schedules and Statements remain subject to further review and verification by the Debtors. The Debtors reserve their right to amend the Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to, and reviewed in connection, with any review of the Schedules and Statements.

Disclosure of information in one Schedule, Statement, exhibit or continuation sheet, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit or continuation sheet.

The Schedules, Statements and Global Notes should not be relied upon by any person for information relating to current or future financial conditions, events or performance of the Debtors.

1. <u>Description of the Cases and "As of" Information Date</u>. On January 28, 2018, (the "<u>Petition Date</u>"), the Debtors each filed a voluntary petition with the United States Bankruptcy Court for the District of Delaware (the "<u>Bankruptcy Court</u>") under chapter 11 of the Bankruptcy Code. The Debtors are currently operating their business as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Unless otherwise stated, asset and liability information is as of the Petition Date. Additionally, the Debtors have made every effort to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available to, and further research is conducted by, the Debtors, the Debtors' allocation of liabilities between prepetition and postpetition periods may change.

Basis of Presentation. For financial reporting purposes, the Debtors and 2. certain of their non-debtor affiliates historically prepared consolidated financial statements, which have historically been audited annually. The last audit of the financial statements was as of December 31, 2016. The audit of the consolidated financial statements of the Debtors and certain of their non-debtor affiliates is ongoing for the period ended December 31, 2017. Unlike the consolidated financial statements, the Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each Debtor on a nonconsolidated basis. Additionally, unlike the audited financial statements, the Schedules and Statements reflect the assets and liabilities of each Debtor on the basis of the Debtor's non-audited records. Furthermore, the Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to reconcile to the financial statements previously distributed to certain third parties or published on the Debtors' website. Accordingly, the totals listed in the Schedules and Statements will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

To the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent at the Petition Date or at any time prior to the Petition Date. Likewise, to the extent that a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Petition Date or at any time prior to the Petition Date.

3. <u>Summary of Significant Reporting Policies</u>. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

a) <u>Book Value</u>. Unless otherwise noted, each asset and liability of each Debtor is shown on the basis of the net book value of the asset or liability in accordance with the Debtor's accounting and/or tax books and records as of the Petition Date.

b) <u>Value of Interests in Subsidiaries</u>. The value of the subsidiary interests set forth on Schedule A/B, Item 15, reflects the original investment in each such subsidiary. Retained earnings and accumulated losses are not included, because the Debtors and their non-debtor affiliates historically reported at a consolidated level and did not allocate such earnings and losses to specific entities. However, these earnings and losses

should be taken into account when considering the current book value of the subsidiaries.

c) <u>Cash</u>. Cash balances in the Debtors' bank accounts set forth in Schedule B are based on the book balance as of the Petition Date.

d) <u>Investments</u>. Investment balances set forth in Schedule B are based on the fair value of the investments as of the Petition Date.

Liabilities Related to Trust Preferred Securities. The Debtors and e) certain of their non-debtor affiliates have debt or guarantee liabilities related to five issuances of trust preferred securities (the "TruPS"), as described in more detail in the Declaration of Gregg Klingenberg In Support Of First Day Relief. SHI issued unsecured subordinated debentures supporting four of the TruPS issuances; the principal and accrued interest in respect of such debentures are listed as unsecured claims of SHI on SHI's Schedule F. SHI also issued a sponsor guarantee in respect of such TruPS issuances, and such guarantees are identified on SHI's Schedule F. SALIC guaranteed the debentures supporting each of the five TruPS issuances; the principal and accrued interest in respect of such debentures are listed as unsecured claims of SALIC on SALIC's Schedule F. The underlying TruPS for each of the five issuances are not separately identified in the Schedules. The descriptions of the TruPS-related obligations herein and in the Schedules and Statements, and the Debtors' obligations, rights, duties and liabilities thereunder, are qualified in their entirety by the terms of the operative documents governing the TruPS issuances and related debentures, trusts, and guarantees.

f) <u>Setoffs</u>. The Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted.

g) <u>Insiders</u>. For purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of a Debtor; (d) relatives of directors, officers, or persons in control of a Debtor; and (e) affiliates.

Executory Contracts. While reasonable efforts have been made to h) ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors or omissions may have occurred. The Debtors reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts and agreements listed on Schedule G may have expired, been rejected, or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of its business, such as confidentiality agreements. Such documents are also not set forth on Schedule G. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including, without limitation, any

Case 18-10160-LSS Doc 175 Filed 03/23/18 Page 5 of 37

intercompany agreement) related to a creditor's claims. Listing a contract or agreement on this schedule does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Any and all of the Debtors' rights, claims, and causes of action with respect to the contracts and agreements listed on this schedule are hereby reserved and preserved.

i) <u>Reserve Credit Trusts and Other Assets Supporting Reinsurance</u> <u>Treaties</u>. SALIC has established, as sponsor, various reserve credit trusts ("<u>RCTs</u>") to support certain reinsurance treaties. The assets of the RCTs are held in accounts at Bank of New York Mellon, which also serves as the trustee of the RCTs. Although SALIC is the nominal account holder for each RCT account, the assets in the RCT are not property of SALIC's bankruptcy estate. Legal title to the trust assets is held by Bank of New York Mellon, as trustee, and the applicable ceding company and its policyholders are the beneficiaries of the applicable RCT. Accordingly, SALIC has not identified the assets and liabilities of the RCTs on its Schedules.

SALIC has a contractual obligation to fund each RCT to the extent of underfunding and has, in certain circumstances, the right to receive overfunding from the RCTs. To the extent amounts were due and payable between SALIC and a particular RCT as of the Petition Date, such amounts are identified on SALIC's Schedules as an asset or liability, as appropriate. Likewise, to the extent amounts were paid by SALIC within the relevant periods before the Petition Date, such amounts are identified on the Statements.

Additionally, the reserve assets supporting certain reinsurance treaties (including SALIC's treaties with its non-affiliate Scottish Re (U.S.), Inc.) are held at the ceding company on a "funds withheld" basis. As with assets in RCTs, such assets are not property of SALIC's bankruptcy estate, and such assets are not identified on SALIC's Schedules. Similar to obligations in respect of RCT underfunding, SALIC has a contractual obligation to provide funds to the ceding company if assets held on a funds withheld basis are insufficient, and also has, in certain circumstances, the right to receive overfunding. To the extent amounts were due and payable between SALIC and a particular ceding company as of the Petition Date, such amounts are identified on SALIC's Schedules as an asset or liability, as appropriate. Likewise, to the extent amounts were paid by SALIC within the relevant periods before the Petition Date, such amounts are identified on the Statements.

5. <u>Disputed, Contingent and/or Unliquidated Claims</u>. Schedules D, E and F permit the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of the Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection by the Debtors. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules as to amount, liability or status.

7. <u>Global Notes Control</u>. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
